TRUTH MUST TRIUMPH.—The immortal J. N., "the greatest Orator, Philosopher, and Satirist that ever lived," addressed the citizens of this town, at the Court House, last Saturday night, on the subject of his sublime principles of Truth and Reconciliation. He is the only successful champion of Truth! Those who heard his address are now convinced that they are in error—that Truth must reign triumphant throughout the world. "J. N." has established his theory throughout the world—and has lifted the veil, and the whole world feels the pressure. The Ohio Statesman thus speaks of the "immortal J. N.":

"With a modesty truly commendable, this great philosopher asks no glory for himself. His victory is Truth's. Content he is to descend to the grave unwept, unhonored and unsung, as great philosophers have done before him, if he can but make the Truth clear to the clouded minds of the people both North and South. With a magnanimity unparalleled, he assumes all the pressure on himself."

Oh, J. N. I may thee live as long as the letters are in use that served to give thee immortality!

LAND FOR SALE.—Alexander Bolar wishes to sell 160 acres of excellent land—100 acres cleared and in fine condition—and balance well timbered. Good dwelling house, stable, plenty of water, &c., on the premises. Situate three miles south of Allensville, Ohio, on the Jackson road.

TWO MONTHS FOR NOTHING—Look at this Offer.—We have received the American Agriculturist for October. We wish that all our friends could see this paper. We know of no way in which so large an amount of truly valuable, interesting, and instructive reading matter could be given to a family at so small a price as the subscription to the Agriculturist. Each number contains 32 to 40 large quarto pages, and 30 to 50 fine engravings, many of them very costly and beautiful. Here, in this October number, we find, in addition to the great amount of valuable information, hints, suggestions, etc., more than 30 engravings, several of which are among the most expensive ever found in an Illustrated Journal. This number is of itself really worth a year's subscription. The cost of the American Agriculturist is only \$1.50 for a year, in advance, or four copies for \$5. The publishers offer that valuable journal free for the remaining two months of this year to all new subscribers for 1898, (Vol. 27,) who send in their subscription during this month of October. We advise all our readers to secure it on these terms. It will be sure to benefit all fathers and mothers, and interest and instruct the children. Subscriptions should be sent to the publishers, ORANGE JUD & Co., 245 Broadway, New York City.

ALLEN'S LUNG BALSAM,

FOR THE CURE OF

Consumption, Bronchitis,

AND ALL DISEASES THAT LEAD TO IT

Such as Coughs, Neglected Colds, Pain in the Chest, and all diseases of the Lungs.

Clergymen should use the Balsam for their Throats.

THIS Balsam is introduced to the suffering public after its merits for positive cure of such diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical journals as being equal to any prescription that can be made up, for such diseases, by the medical faculty. The Balsam is consequently recommended by physicians who have become acquainted with its great success.

As an Expectant it has no Equal

We copy the following interesting letter from Dr. Harris to the Middlebury, Vt., Register, Nov. 20, '95

"I am only too glad to subscribe the interest of humanity that I request a short space in your valuable paper to inform the public what Allen's Lung Balsam is sure to do. Two years ago I was attacked with a severe cold, it settled in my throat, which so affected the organs of speech that I could not speak aloud for nearly six weeks. I got through the winter suffering almost incessantly, with cold night sweats, with increased irritation, which extended into the Bronchial tubes and which kept me coughing all summer. I was at Shoreham on a professional visit the past October, when the 'good Samaritan' came along introducing Allen's Lung Balsam into New England. I procured a bottle and took it according to directions, and found immediate relief. I have now taken two bottles, which has entirely cured me. For the past two years, or during the time of my affliction, I was in a state of constipation, which the Balsam has most effectively regulated. I see by the Western papers that the physicians of Cincinnati (where the medicine is manufactured) are introducing it into their practice, and I have no doubt it will become a classical remedy for the cure of all diseases of the throat, Bronchitis, tubes, and the lungs."

NATH'L HARRIS, M. D., Dentist, Middlebury, Vt., Nov. 30, 1895.

The proprietors of this valuable Balsam take pleasure in calling to the attention of all medicine dealers, desiring that they procure a supply of it, and recommend it to their afflicted patrons, and friends. It will stand the test for merit, as has the celebrated

Perry Davis' Pain Killer,

which has been introduced to all parts of the inhabited world, and is everywhere acknowledged as a valuable remedy. The Balsam is for sale by most of the leading Druggists, and can always be had from them, in any quantity desired, by the country dealers.
